

# Search Visibility Audit Report - Sample

InfoLady Sample Audit Report

GEO Score: 72/100

Your website shows strong visibility in modern search engines but has room for optimization.

## Key Findings

- Technical SEO: Core web signals are within acceptable ranges
- Content Optimization: Title tags need refinement
- Mobile Friendly: Responsive design properly implemented

## Recommended Actions

1. Optimize title tags for primary keywords
2. Improve internal linking strategy
3. Create more original content
